

## Passenger Car Sales Executive

- Leading Prestigious Brand
- Brand New Purpose Built Facilities
- Employer of Choice with Outstanding Support

A Mercedes-Benz Dealership since 1958, Marshalls Motors continues to set new standards in the motoring industry. Our prestigious new dealership together with our legendary service is what sets us apart.

Marshalls offers outstanding facilities, comprehensive training and support together with an exciting product range. Lucrative financial opportunities exist for those willing to demonstrate a commitment to meeting and exceeding targets.

We are looking for an enthusiastic, fast learner with a great attitude. Previous experience preferred, but not essential. You must, however, have a proven track record, in a similar sales discipline, with a minimum of 3 years experience.

The person we seek must possess a strong character as you will be expected to achieve monthly targets and deal with a variety of situations. You will need to be very well presented, hold excellent verbal and written communication skills, have an appreciation of the importance of building client relationships, ambition and most importantly - a strong desire to succeed.

The successful applicant will be very well organised and have an understanding of the importance of delivering outstanding levels of customer service. The ability to work in a team environment is essential as is a confident and pleasant manner. Solid computer and organisational skills are a must if you are to succeed in this role.

Only career minded individuals with a long term view need only apply. If you are looking for a challenging and rewarding career with Marshalls Motors and have a desire to be a part of our success please forward your CV and Cover letter to:
